A hand-drawn illustration of a cocktail glass, possibly a coupe or martini glass, with a long stem. Overlaid on the right side of the glass is a circular postmark. The postmark contains the text "SPECIAL" at the top, "COCTELES ESPECIALES" in the center, and "15c" at the bottom. There are also small star symbols and a stylized airplane icon within the circle. In the bottom left corner, there is a rectangular postmark with the text "SHOKO COCKTAILS POST OFFICE" and small icons of a building and a person on either side. The entire illustration is rendered in a simple, sketchy style with black outlines and some internal shading.

The background is a light beige color with faint, concentric circular patterns radiating from the center. In the top left corner, there are two overlapping stamps. The first stamp is rectangular with rounded corners, tilted at an angle, and contains the text "SHÔKO COCKTAILS POST OFFICE" around a central circle with a dot. The second stamp is circular and features a stylized bird or wing design with the letters "VIBA" below it. In the center of the poster is a hand-drawn illustration of a square cocktail glass filled with ice cubes. The drawing uses simple black outlines and cross-hatching for shading. Below the glass, the words "SEA BREEZE" are written in a bold, sans-serif font. Underneath this title, the ingredients are listed in two lines: "Vodka, zumo de arándanos, pomelo fresco," followed by "top de cava con un toque de pimienta rosa" on one line, and "... Vodka, cranberry juice, fresh grapefruit," followed by "cava top and a touch of pink pepper" on the next line. At the very bottom of the poster, there are two lines of decorative text consisting of a series of less-than signs (<) followed by "CÓCTELES SHÔKO" and "SHÔKO COCKTAILS" respectively, followed by another series of less-than signs.
